

SWEET AXE THROWING CO. IS

TAKING AN AXE TO COVID-19

TIMES HAVE CHANGED AND SO HAVE WE...

We're very proud to join an ever-growing group of businesses who see vaccinations as a necessary step to lessen the impact of COVID-19 on our team, industry and community. We're mindful that our choices, directly and indirectly, affect a lot of folks who don't have the luxury of making that choice for themselves.

Our priority has always been to keep you safe, and this appears to be the best way for us to do that. So, we'll be adopting the COVID-19 Protection Framework including the COVID-19 Vaccination Certificates (CVC).

DEDICATED LANES

Your group will be allocated their own area and axe-pert, and with 250m2 there's plenty of room to get spaced out.

SUPER SQUEAKY CLEAN

Increased and continual cleaning and disinfecting of all equipment and high contact areas.

VACCINATION CERTIFICATES

We will be operating under the COVID-19 Protection Framework which requires all our staff to be vaccinated, and that our guests present valid vaccination certificates at entry.

CONTACT TRACING

QR Codes are available to record your visit in the COVID-19 App. Collecting contact information for every customer who walks through our door to ensure that contact tracing can be completed if necessary.

PROTECTIVE MEASURES

Hand sanitiser and disposable gloves are available for customers to use if they wish. Masks are available to purchase in-store for \$5 but will be subject to availability- we recommend you bring your own. At Level 2 our staff will be wearing masks throughout your session.

STAY HOME IF YOU'RE UNWELL

If you have symptoms and are booked for a session, please contact us (or ask someone within your group to contact us) on 021 158 2265- please see our cancellation page for full details

Our staff are thoroughly trained & united in our efforts to give this virus the axe! We trust that these measures will give you the peace of mind that Sweet Axe are doing everything we can to keep you safe, and to stop the spread of COVID-19.
