

SWEET AXE BREWTOWN

Things to make axe throwing at Brewtown even more epic!

- Get your guests to sign the waiver prior to your session- the waiver link can be found in your booking confirmation
- Arrive 15mins early, your session will run strictly within the timeslot you have booked
- Wear comfortable clothing that you can swing your arms in and step and lean
- Wear closed-toed shoes
- We will have a range of non-alcoholic drinks and light snacks available for purchase
- We're a sober activity, anyone under the influence will not be permitted to throw
- As a customer facing business, all our staff are double vaxed, to ensure we can continue to throw axes and avoid lockdowns, we will be asking our guests to present their vaccination certificate upon arrival

How to find us

We're located indoors in a large warehouse opposite the Dunlop sign- the below map shows the best entrance to visit us, and there is customer parking directly outside the venue.
